WORK EXPERIENCE

Capgemini Technology Services India Limited (May 2022 - Present)
Software Engineer

- Spearheaded the development and successful delivery of various features and enhancements within web applications, utilizing ReactJS and Redux.
- Translated design concepts into fully functional and responsive user interfaces, ensuring optimal user experiences across desktop and mobile devices.
- Collaborated closely with the team to implement and test APIs, adhering to industry standards for reliability and performance.
- Conducted thorough automation testing to ensure the quality and stability of applications.
- Played a key role in the ongoing improvement of code base quality and project documentation.

Shivila Technologies Pvt. Ltd. (Jan 2022 - May 2022)
React Developer

- Collaborated with a cross-functional team on the design and development of an Admin Panel Dashboard.
- Implemented CRUD operations within an internal project, enhancing its functionality and usability.
- Designed a prototype interface for a Social Media App using React Native and integrated backend APIs using Axios.
- Provided mentorship and guidance to junior colleagues, supporting their learning and growth.

Shadowfax Technologies Pvt. Ltd. (Feb 2021 - May 2021)
Web Developer

- Worked on refining the web page design for better interactivity and responsiveness.
- Collaborated with cross-functional teams to identify customer requirements and develop technical solutions.
- Extensively manual tested all the new features implemented.

Aizawl Smart City Limited (Oct 2020 - Feb 2021)
Computer Engineer Intern

- Fixed bugs, improved design and implemented new features of their internal web portal.
- Managed the MoHUA database on the MoHUA website in coordination with System Analysts.
- Geo-tagged and cataloged significant locations for future city development projects.
- Independently developed a simple calculator app using Flutter during free time in the office.

EDUCATION

Mizoram University (Aug 2015 - Jul 2019)
Bachelor of Technology, Computer Engineering
7.06/10 CGPA
