Jatin Rai
SOFTWARE ENGINEER

Highly skilled Front-End Developer with over one year of hands-on experience in building engaging user interfaces and web applications using ReactJS, Redux, and other modern technologies. Proven track record of collaborating with cross-functional teams to deliver robust and visually appealing software solutions. Strong problem-solving abilities, commitment to staying updated with industry trends, and a passion for solving complex challenges.

WORK EXPERIENCE

Software Engineer
CAPGEMINI TECHNOLOGY SERVICES INDIA LIMITED Candor Tech Space, Newtown, Kolkata - 700156 / Since May 2022

- Spearheaded the development and successful delivery of various features and enhancements within web applications, utilizing ReactJS and Redux.
- Translated design concepts into fully functional and responsive user interfaces, ensuring optimal user experiences across desktop and mobile devices.
- Collaborated closely with the team to implement and test APIs, adhering to industry standards for reliability and performance.
- Conducted thorough automation testing to ensure the quality and stability of applications.
- Played a key role in the ongoing improvement of codebase quality and project documentation.

React Developer
Shivila Technologies Private Limited Kolkata / Jan. 2022 - May 2022

- Collaborated with a cross-functional team on the design and development of an Admin Panel Dashboard.
- Implemented CRUD operations within an internal project, enhancing its functionality and usability.
- Designed a prototype interface for a Social Media App using React Native and integrated backend APIs using Axios.
- Provided mentorship and guidance to junior colleagues, supporting their learning and growth.

Computer Engineer Intern
Aizawl Smart City Limited New Secretariat Complex, Aizawl, Mizoram - 796001 / Oct. 2020 - Feb. 2021

- Managed the MoHUA database on the MoHUA website in coordination with System Analysts.
- Geo-tagged and cataloged significant locations for future city development projects.
- Independently developed a simple calculator app using Flutter during free time in the office.

EDUCATION

Bachelor of Technology in Computer Engineering
School of Engineering & Technology, Mizoram University Tanhril, Aizawl, Mizoram - 796004 / Aug. 2015 - July 2019
